7. G.O. Ms. No.1369 Revenue, dated 15-6-1941.

In their order No.Ms.1369, Revenue, dated 15th June 1941, the Government accorded sanction for the retention for a further period of three months from 27th May 1941 of the special staff working in Bellary taluk (in connection with the collection of statistics in respect of loans transactions in the taluk), the retention and employment of which was sanctioned in G.O.Ms. No. 618 Revenue, dated 15th March 1941. The extended period expires on the 26th August 1941. The Special Deputy Tahsildar, Bellary reports that the special staff was able to investigate 5548 loan cases from the date of commencement of the work up to 1st August 1941 and that there are still 2552 cases to be examined. He hopes to dispose of further 800 cases from 1-8-1941 upto the end of 26-8-1941, leaving a balance of1,752 cases on 27-8-1941. He states that his staff requires two months and four days more for their disposal at the rate of 810 cases per month. Please see this office Ref.A.1. No.5342/40, dated 18-2-1941, paragraph 1. He further adds that he has returned 400 files to the Special Revenue Inspectors for rectification of certain defects noticed by him and for supplying some omissions and for recording the statements of the parties who were absent at the time of the Special Revenue Inspectors' visits. As the villages involved in these cases are scattered, the Special Revenue Inspectors require some time to attend to these files in addition to the investigations they have to make. The Deputy Tahsildar considers that he may require about 2 months for the completion of these cases. He therefore requests that the special staff may be retained for a further period of four months from 27-8-1941, i.e., upto the end of 26th December 1941. The Revenue Divisional Officer, Bellary recommends the retention of the special staff for a further period of four months.

2. In the above circumstances I agree with the Revenue Divisional Officer and request that the Board may be pleased to move the Government to sanction the retention of the special staff for a further period of four months from 27-8-1941 to 26-12-1941.

3. As it may take some time to receive the orders from the Government, I am asking the loans establishment to continue its work until further orders. I request that my action may be approved.
